REPORT OF STATUS CONFERENCE

A status conference was convened in this proceeding on October 13, 2016, before Administrative Law Judge Joy Guillot. Participating in the status conference were: Kyle Marionneaux on behalf of Service International of SWLA, LLC (the "Applicant"); William Kirtland on behalf of Intervenor Stranco, LLC, Roy Bailey Construction, Inc., and Stafford Transport of Louisiana, Inc. d/b/a CEI; and Ann Hill on behalf of the Louisiana Public Service Commission ("Commission") Staff. No one appeared on behalf of Intervenor Scioneaux, LLC.

The parties provided an update of the proceeding and, after a brief discussion, agreed to amend the partial procedural schedule established at the September 20, 2016 status conference.

PLEASE TAKE NOTICE that the following procedural schedule is hereby established:

November 15, 2016 Deadline for each party to file its witness list.

December 29, 2016 Discovery Cutoff. By this date all depositions must be completed and all written discovery must be answered.

January 5, 2017 By this date, the Commission Staff shall file notice of any complaint, citation, or **violation pending** against the Applicant.

By this date, the tribunal is to be advised of whether the Applicant's request for authority will proceed as a contested or an uncontested matter at hearing, as follows:

- 1) If the proceeding remains **contested** as of this date, a Pre-hearing Statement shall be due from any party intending to present testimony and evidence at hearing, other than for purposes of impeachment or rebuttal. The Statement shall include:
 - List of each party's exhibits.
 - List of each party's witnesses, stating for each whether the testimony will be presented in person at the hearing or by deposition.
- 2) If the proceeding is **uncontested** as of this date, the Pre-Hearing Statement will not be necessary. Instead, the Applicant shall file a notice that the Applicant's request for authority will proceed as an uncontested matter, due to the withdrawal of all opposition, and shall simultaneously file any and all Restrictive Amendments.

- 3) If the Applicant is unsure, as of this date, whether the matter will be contested or uncontested, the Applicant shall move for a continuance of the hearing. As described below, the motion shall advise of each other party's position with regard to the proposed continuance.

January 12, 2017 Hearing. A hearing in this matter will be convened at **10:00 A.M. on Thursday, January 12, 2017**, and continue as needed on Friday, January 13, 2017, in the 11th Floor Hearing Room of the Galvez Building, 602 North Fifth Street, Baton Rouge, Louisiana.

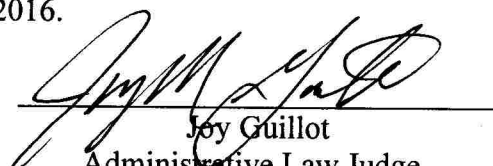

All parties intending to present evidence at the hearing should bring a copy of each exhibit for the court reporter, as well as additional copies for the judge, the research attorney, and all other parties to the proceeding.

Any party seeking a continuance of the hearing date must file a motion for the continuance **by January 5, 2017**. The motion must also contain a statement (1) affirming that the moving party has contacted all other parties to the case concerning the proposed continuance and (2) advising of the position of each of the other parties to the proposed continuance. Motions for continuance filed after this date will be considered only upon a showing of good cause for the delay.

At the hearing, the applicant will have the burden of proving public convenience and necessity by demonstrating a public need for the applicant's service and that the grant of authority is in the public interest. In addition to proving public convenience and necessity the applicant shall provide proof of its fitness to operate. Parties protesting the application may offer evidence that the proposed grant of authority will have a substantial and detrimental impact upon its capital investment.¹

If you are disabled and require special accommodation at the hearing, please contact the Administrative Hearings Division at (225) 219-9417 at least five days prior to the date of the hearing. A public parking lot is located on North Street, across from the Galvez Building.
